welcome

Welcome to the fourth AIRROC/ Cavell Commutations and Networking Event.

Keep this programme with you throughout the event. You should find all the information you need to make your Commutations and Networking event a success.

You will find the timetable on the following pages.

The opening dinner and the event will both be held in the Diamond Court Ballroom on the second floor of the hotel. A break out area will be available in the Derby Room across the hall from the main meeting area. Please see the map on page 9 for the layout of the Sheraton's conference area.

We hope all delegates will attend the dinner on the first evening as it is an ideal way for us to meet as many of you as possible before the hard work begins. **Please let us know if you do not plan to attend, so that we can cater for the correct amount of people.**

We look forward to seeing you.
